Concordia University Chicago returns all of their starters from last year minus recent graduate OH David Vales. Last season they were one of the youngest teams in the country with only 2 upper classmen. With 7 incoming Freshmen looking to make an impact alongside Graduate Returner Tyler Holubek, who currently holds the NACC Individual Season Record for Kills (2023), the Cougars are bound to see a big improvement. Key returners include Junior Libero Van Gaetto who was 3rd in NACC Digs/Set, Junior Setter Eli Mosher who was 6th in NACC Assists/Set and Sophomore Middle/Opposite JR Stella who led all NACC Freshmen in Kills & Points. -Coach Greg Manos

IH COMMENTS:

We expect Concordia Chicago to make major improvements over last years season. The all-time kill leader, Tyler Holubek, returns from 2023 as a graduate student and will slot in with returning players outside Marcin Hoffman , setter Elijah Mosher, libero Van Gaetto and middle Jackson Stella to form a formidable team with high capabilities. Expanding their roster from 10 to 14 will make a huge difference for practices as well as provide needed depth as the season progresses. With 7 new freshman recruits, if one or two can make an impact, the Cougars will be in a position to have a super fun season and compete at a high level during NACC playoffs. Their schedule outside of NACC competition seems very managable, so we expect a major record improvement from last years 8-17.
