COMMENTS:

OK... what are they feeding these young athletes attending Lasell? Senior Jordan Shinaut is 6' 6" tall and he is the fifth tallest player on the Laser team. Adding 6'11" MB Dylan Bouteiller seems right to keep the towers coming to Lasell. Statistically, the Lasers struggled last season on serve receive posting a .912 regular season receive percentage. By adding transfer Collin Leidke from Elms as a graduate student, they have solidified their defense, passing, and rec % substantially. Collin has been one of the best libero's in D3 college volleyball and we can not overemphasize what he brings to the table for Lasell. The middle and pins are more than sound for the Lasers. Zaharewicz, Thomas, Shinaut, Shultz and Phillips will excel on the attack and block. Our key challenge for this club will be at setter. They lose an outstanding setter to graduation in Jesus Garcia. They now will rely on new recruit Trystan Maloney to orchestrate the attack as a freshman. Trystan is an outstanding player and Lasell will need to be patient as he develops his skills at the college level. If this happens quickly, the Lasers are going to have a very strong season. As strong as their attack is, IH would like to see them get their hit percentage up to compete with the D3 elite.
