COMMENTS: Rutgers loses just two players to graduation, but loses 4 others that are not returning from the 2024 squad. They have a solid group of new recruits that have been assembled for the 2025 campaign. Notably, middle Massimo Rocco and OH Alex Solodky are expected to be major contributors for the new season. Super senior Derek Au returns as setter for the Raiders as well as last years frosh sensation right side Aleks Kolodziej. With Chromulak & Blanco graduated, we expect players to step into new outside roles including Aidan Apito and Sean Spring along with the freshman Solodky. Vincent Lopez will be a strong player at middle along with new recruit Rocco. Amir Johnson and Juan Silva will also get their reps at middle. Michael Suarez is also a player to watch for Rutgers. Both featured freshman, Suarez and Rocco, are coming off a fantastic HS careers where they both were NJ Group Champs and Solodky also had solid club success in Texas. Back row has numerous options for Coach Albrecht with Fernando Paredes, Gavin Walker-Mason, & Evan Jazmin who are solid defensively. Kaden Komine from Hawaii has shown lots of versatility as a backup setter, lib, & serve specialist. The Raiders have high percentage of stats returning in blocks, digs, assists, and aces. RUN will be improved over 24.
