COACHES COMMENTS:

After a wild 2024, Vassar replaces the dynamic 6-2 attacking trio of AJ Erickson, Vaughn Ramsey, and Jacob Kim. Three setters are battling to lead the offense, with senior Nick Villamil primed to play a big role. Returning starters Billy Fan, Payne Lounsbury and Gavin Akoto, and Tucker Shearn look to pick up where they left off, and RH's Cannon Tucker, Shawn Zheng, and others will be battling for Ramsey's role. Watch for sophomores MH Desai and OH Birnbaum, as well as a number of other potential breakout players on this incredibly deep roster.

IH COMMENTS:

Vassar has one of the deepest rosters in the D3 landscape and will need it this season as they lose a ton of extremely talented players to graduation. Vaughn Ramsey and Jacob Kim as well as AJ Erickson lit up the scoreboard during Vassar's run toward a D3 championship last season that fell just short. Vassar's depth will now be the showcase of the 2025 team that will feature seniors Billy Fan, Gavin Akoto, Payne Lounsbury, and 6' 6" setter Nick Villamil who has been waiting his turn for this opportunity. IH was particularly impressed by Armaan Desai last season as the freshman showed signs of dominance at the net. The Brewers still get high grades on the attack with a returning player overall hitting % > .300. Vassar also retains 66% of their overall blocks after putting back over 300 for the season. Four new recruits join this years team all with high potential. The Brewers finished 6th in the nation in hit percentage in 2024 and also finished 7th in the nation in blocks. They have the talent to have similar metrics in 2025. At #5, they take a minor step back.
