COMMENTS:

MSOE enters the new season with a full roster of last years starters. They return just about all of their previous years statistics after finishing 2024 with a top 30 ranking. They have high expectations and have packed their schedule with top flight opponents. Outside of their conference schedule which will include games against Loras, Benedictine, Dominican, and Aurora, they will face Carthage, Cal Lutheran, NCC, Augustana, UCSC, St. John Fisher, and Baldwin Wallace among others. It's a bold statement and one which other teams should note as they prepare for the Raiders. Carter Shavitz returns for a fifth year and will lead a group of fundamentally sound players with strong upside potential. The synergy of this group will play out this season and we shall see if they can push to enter the top 20 with big wins over top ranked teams or run the risk of a mediocre overall record and the need for a NACC tourney win to advance to the NCAA playoffs. Shavitz, Phillips, Rings, Glashagel, Schultz, Clausz, Harris, Thomas and the rest are in for a super competitive season, maybe even a magical one, if everything falls into place.
